Accreditation: For a maximum of 19 Credits

ESTRO 2021 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **19 European CME credits** (ECMEC®s).

Each medical specialist should claim only those hours of credit that they actually spent in the educational activity.

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
